Velas

*Affidarsi alla luce, alla trasparenza, all'acqua, come in uno spazio aperto.
Lasciarsi avvolgere da linee aeree, curve, elegantemente tese. Immergersi in una
sensazione di libertà che nasce dall'ambiente, ma diventa esperienza intima.*

EN Giving in to light, transparency, water, as in an open space. Letting ourselves be surrounded by aerodynamic curves, and by elegant, firm lines. Immersing into a sensation of freedom, given birth to by the environment, but always being able to live an intimate experience.

FR Se fier à la lumière, à la transparence, à l'eau, comme dans un espace ouvert. Se laisser envelopper par des lignes aériennes, courbes et élégamment tendues. S'immerger dans une sensation intime de liberté éveillée par l'environnement.

Finiture / Finishes / Finitions

Tutti i particolari di questa cabina richiamano la forma dolcemente curva del piatto, esaltandone al massimo il design.

EN All the details of this enclosure recall the gentle curve of the shower tray, enhancing to the extreme the design.

FR Tous les détails de cette cabine rappellent la forme gracieusement arrondie du receveur de souche pour en exalter au maximum le design.

Streamline

Braccetto di sostegno / Bracing bar / Barre de soutien

Il tubo di sostegno segue la sinuosità della vasca del piatto e viene interamente realizzato in ottone cromato.

EN The bracing bar sweetly follows the shape of the tray, and is entirely made in chromed brass.

FR La tige de soutien en laiton chromé suit les sinuosités du receveur de douche.
